Office of the University Registrar

SCHEDULE OF REMOVAL EXAMINATIONS

THURSDAY, JUNE 29, 2023 TO FRIDAY, JUNE 30, 2023

For students who obtained grades of "4" and "Inc" during the Second Semesters, 2021-2022, Midyear 2022 and First and Second Semester, 2022-2023.

IMPORTANT REMINDERS

NO STUDENT is allowed to take any removal examination unless a Removal Permit is issued by the respective College Secretary and presented to the Professor/Instructor concerned.

The one academic year period allowed for the removal of grades of "4" and "Inc" extends to the regular semestral removal period immediately following the one academic year period.

Effective First semester 2015-2016, the grade of "4" is removed by passing a removal examination or by reenrollment in the course.

If not removed within the prescribed period (one academic year), the grade of "4" automatically becomes "5". The grade will be changed by the University Registrar upon prior confirmation with the concerned teacher and adviser or in their absence, the department chair or institute director.
